During this frigid time of year, sun-soaked beaches beckon, and a crop of hotels participating in "Cyber Monday" deals have unleashed bargains for the rest of 2013 and into 2014. The catch? They're only available for purchase on Cyber Monday—the Monday after Black Friday (the Friday after Thanksgiving Day)—although some launch the sales as early as Black Friday itself.

Here are 11 reasons to sit at your computer on Cyber Monday and click away in pursuit of your next beach vacation. Hotels from [Del Mar, California](#), to the [Dominican Republic](#) are participating in this tempting campaign to get you on the beach.

8. PARADISE POINT RESORT & SPA
