

TESTIMONIALS

"I've planned and attended many meetings and your hotel, by far, outshined any place I've been to. Everyone went above and beyond to make our stay incredible. I can't wait to come back!"

Tanya Ghetian, Verizon Wireless

"Thank you so very much for all your amazing help making the Hilfiger Family Reunitus such a success. There is no way we could have done it without you and your teams! They worked so hard and made the Hilfiger Family feel welcome from the time they arrived until their sad departure. It was an absolutely fantastic event that will not soon be forgotten."

Vicki Stone, Tommy Hilfiger

"It was a great experience! Beautiful room, wonderful staff and a gorgeous property. Whether for business or pleasure, Paradise Point is an excellent retreat."

Janet Albritton Espinoza, California Park & Recreation Society

"My high-end clientele were very pleased with their experience. The conference services, A/V (Swank) and F&B staff were on the top of their game and accommodated our (MANY) special requests (even the last-minute ones!) with a smile. We will return to this property, no doubt. If you haven't been in the last year, you need to go and experience the new DHR Paradise Point!"

Laura Miller, McKenna Long & Aldridge

"I cannot say enough about this property! Not only was it a beautiful property, comfortable accommodations, great views of Mission Bay, the staff is SO friendly and accommodating (I truly can't say that enough) and the spa staff provided me with a heavenly massage. I can't wait to be able to go to (or have) another meeting here."

Michelle Thornton, Autodesk

"From top down, our service was unmatched. Each and every person who supported our conference was polite, respectful, professional, and at the top of their game. We wanted for nothing. Our needs were anticipated each step of the way. Your staff took the ball and ran with it and never looked back. The conference facility was well maintained and flowed well within one building. The staff...I cannot say enough. The tentacles of service stretched quite far and every individual shined."

Aimee Atwood, ARM, Inc.

"The meals were excellent. The food was good and the service was terrific, especially considering the number of meals that had to be delivered to the various rooms. I also appreciated their flexibility in moving the Wednesday lunch and dinner indoors. I've had numerous positive comments from both partner and HP attendees regarding how well everything went and how conducive the property was towards enabling and enhancing the nature of the event. As I said, all of the staff and the service levels we were shown were outstanding."

David Donia, HP
