Just as we recover from Christmas, it's time to embrace a new holiday season. Valentine's Day inspires a fantasy-filled season of romance. Whether you travel great distances or stay close to home, couples everywhere mix up ordinary routines to discover new levels of intimacy.

Love is in the air, and San Diego hotels are doing their part to bring sweethearts together with special Valentine's Day packages. Beyond an ordinary hotel experience, these packages include plenty of dining, drinking and spa perks, plus ultra-sexy amenities waiting for you back in the room. A few of our top picks include the Disconnect Package at The Grand Del Mar, Your Crush for a Night at Andaz Hotel, Yours & Mine at L'Auberge Del Mar and Night of Romance at Hotel del Coronado.
